Dear Parent or Guardian

Congratulations, your child has been identified to be part of the GolfSixes League 2022 squad!

We think your child is making great progress with their golf, learning all the key skills and starting to apply those new skills on a golf course.

We want to ensure that this progress and enjoyment continues by introducing more fun playing opportunities through the GolfSixes League format. The Golf Foundation, in partnership with the Home Unions, R&A and the support of the European Tour, have developed the GolfSixes League format.

The format is simple; teams of 6, playing 6 holes of golf using a fun pairs format called Texas Scramble. GolfSixes League is all about being part of a team and representing your club in a local league. Players in the other teams will also be entry level golfers and the emphasis is completely on having a fun in a friendly competition.

The first step to becoming part of the GolfSixes League Squad is to complete the Player Registration information. If you can please complete and return this to me ASAP it would be much appreciated.

If you have any further questions please do not hesitate to contact me. I really hope your child will enjoy being part of this exciting GolfSixes League format, we can't wait to get started!

Kind Regards,

GolfSixes League Team Manager
